

## **25 Ways New World Elpis (NWE) Can Benefit You, Family, and Everyone we Know**

1. NWE offers freedom from the dependency on a system that thrives and prospers on our debt

2. NWE offers freedom to work at what we love to do, rather than what we are obligated to do
3. NWE offers freedom to our children and grandchildren considering job/income/pension security has all but disappeared
4. NWE offers freedom from the need to try and save millions, when saving hundreds or thousands is the current challenge
5. NWE offers freedom to put into action a self-funded monthly residual income that never stops growing for life
6. NWE offers freedom to receive returns of 200%-300% on a daily, weekly, and/or monthly basis as business evolves

**Whatever the need or want, NWE positions the majority of people to take action without need for reservation or concern**

7. NWE offers freedom to keep doing what we love to do by supplementing our income to enhance choices without debt
8. NWE offers freedom to avoid income drops that come with seasonal employment or otherwise
9. NWE offers freedom to boost insufficient retirement, pension, disability, unemployment incomes
10. NWE offers freedom for unprepared Baby-Boomers to play catch-up...fast
11. NWE offers freedom to fix what needs fixing at the time of need and not only when affordable by adding to our debt load
12. NWE offers freedom to pay cash for holidays/vacations, when, where, and how long we choose
13. NWE offers freedom to launch our dream business of passion...what we feel to be our ultimate purpose in life
14. NWE offers freedom of time and/or money needed for the causes that stir us to action; \$1,000, \$10,000, or a \$100,000

15. NWE offers freedom to leave immediately, without debt, when a family emergency calls us across the country or the world
16. NWE offers freedom to students with debt concerns, to not only launch their own resolve, but pay forward the same solution to prevent others from experiencing the same predicament
17. NWE offers freedom to avoid the stress/pressure and need to have 3-6 months of income available in case of an emergency
18. NWE offers freedom to 'will' (*leave*) our income to our children, grandchildren or whomever we choose

**It just makes sense to pay a mortgage off in 25-30 months rather than waiting for 25-30 years ... does it not!**

**Change your path \* Change your life \* Change your world**

19. NWE offers freedom to non-profit organizations to consider folding, or working alongside their non-profit government registration status, setting up their own NWE self-funded subscription-based company, as they share it with their current supporter base, a win/win scenario, without concern or need to do another fundraising event, ever
20. NWE offers freedom to owning our own subscription-based company for less than \$50 dollars, worth millions, with the need of only 4 subscribers to avoid financial havoc for life
21. NWE offers freedom of prosperity for all sectors of business as global contentment rises with the freedom of disposable income
22. NWE offers freedom for reinvestment of billions saved by government bodies, from programs no longer required, to be invested in the likes of new housing for the poor, or countless other social, retirement, or educational programs

23. NWE offers freedom to be content, void of the need or feelings of inferiority, where crime can realistically and significantly decline as a result of cash flow being more readily and fairly distributed thanks to NWE and its ideas
24. NWE offers freedom that instigates an atmosphere to where generosity becomes more favourable as debt declines and self-contentment rises
25. NWE offers freedom that brings about peace of mind and peace on earth, slowly and surely evolving into, and with, The Age of Equality with its long overdue, New Age Digital Income...a time where everybody wins and nobody is left behind.
